

## **TUSA DIVE DAY TRIPS 2012/2013**

TUSA Dive are Cairns local day dive operators with 25 years experience, and access to 16 unique sites on the outer Great Barrier Reef. You will cruise to two selected outer reef locations on board Cairns' newest reef craft the T6, custom-built for ultimate comfort and easy access to the water. Passenger numbers are limited to just 60 to ensure plenty of space, and Tusa's friendly crew will make sure your day is fun, safe, and memorable. Activities include a marine presentation, guided snorkel tour, 'introductory' diving, and certified diving with up to 3 dives available.

TUSA Dive is an Advanced Ecotourism Operator, committed to providing a service that reflects our responsibility to contribute to the protection of our environment.
