Medical Information

The Australian Government requires a Dive Medical to be completed by a doctor familiar with dive practices and in compliance with Australian standards AS4005.1 to be passed before the commencement of an Open Water Course. A Doctor will come to the facility on the first day of the course to complete the medical. The medical fee is AU\$50.00. Please note that a history of asthma, diabetes or epilepsy may cause failure of the dive medical.

Cancellation Policy

A full refund will apply due to failure of the dive medical or cancellation of the dive course for any reason, until the end of the first day of the course. After the end of the first day of the course, 100% cancellation fee applies.
