TUSA DIVE is an Advanced Ecotourism Operator, committed to providing a service that reflects our responsibility to contribute to the protection of our environment and pass on this rich heritage to future generations. For more info visit www.tusadive.com
TUSA 6 is one of the newest vessels in the Cairns reef fleet, and has been custom designed for diving and snorkelling the Great Barrier Reef. The 24m Tusa 6 limits passenger numbers to just 60, while having seating for 120, which means MORE SPACE & COMFORT for you.

TUSA operates with an average 1:5 staff to passenger ratio – NOW THAT’S SERVICE.

TUSA has access to 16 UNIQUE DIVE & SNORKEL SITES, all on the Outer Reefs. TUSA visit 2 SITES EACH DAY, selected for the day’s weather conditions. Visiting different sites most days, our reefs remain pristine and are home to an abundance of stunning marine life.

Experience the Difference.

Diving the reef is our passion, sharing it is our obsession. Voted by Readers of DIVE LOG AUSTRALASIA Magazine Best Regional Australian Dive Operator 2012, 2013, 2014 & 2015.

Snorkelling

Getting away from the crowds is what this snorkel tour is all about! Our dedicated snorkel guide will teach you the best techniques for viewing the shallow coral gardens, and show you how to use the snorkelling gear.

For adventurous souls, you can enjoy the freedom of snorkelling with your buddy, straight off the back of the boat.

If this is your first time to snorkel, tag along with our free snorkel guide, using ‘Noodles’ or snorkel vests to keep you buoyant.

Snorkelling can be strenuous and if you are concerned about your fitness or have a medical condition, please inform our crew.

Certified Diving

Our selection of 16 outer reef dive sites, offer a great range of seascapes including vast coral gardens, caverns, Walls and isolated pinnacles. Each day we will take you to the best 2 sites for the day’s weather and tidal conditions. Changing sites almost daily, ensures our reef sites remain in pristine condition, teeming with amazing marine biodiversity.

You may choose to take up to 3 dives in the day, with the freedom to dive with your buddy, or per the guided dives. Experienced divers have the option to go unguided and extend their bottom time with 2 leisurely dives. You will be supplied with quality equipment, including long arm, short leg wetsuits, dive booties and fins, and dive computers. Nitrox at 32% is available for Nitrox certified divers. [Pre-booking required].

Minimum age 10.

Dive Course - Ask us for details

4 Day PADI Open Water Course

Specialised 2 days in the pool, 2 days on the reef, then the rest of your life along the reefs of the world. Includes 6 training dives and an additional 2 pleasure dives. Commences Mon, Thu, & Sat.

2 Day PADI Referral Courses

If you have completed your PADI pool and theory, join us for 2 day trips to the reef and complete your open water training dives. Includes 4 training dives and an additional 2 pleasure dives. Commences Mon, Thu, & Sat.

Special Notes for Divers.

All divers must complete a medical questionnaire onboard. A history of certain medical conditions and/or prescription medicines may preclude you from scuba diving, and a Doctor’s release (arranged prior to your trip) may be required. Please refer to our website for full details.

Tusa Dive recommend a wait of 24 hours after diving before flying or ascending over 300 metres. Certified divers must produce a valid certification card.
