

Application for Community Support

Tusa Dive encourages and supports a range of events and organisations which strengthen the community and improve the environment of our home port, Cairns in Tropical North Queensland. Support is provided in the form of Great Barrier Reef day tour travel vouchers, for use on our boat T6. These vouchers can be utilized to assist with fundraising activities. Applications will be considered from non-profit organisations with a focus on the following.

1	Community Wellbeing with a focus on events and activities assisting the needs of the disadvantaged. Tusa Dive believes in a quality of life for all people.	Yes / No
2	Environmental Conservation with a focus on the Great Barrier Reef and marine environment research, programs and initiatives to address current or potential environmental problems.	Yes / No

If you feel your event and/or organisation fits with our community charter in either of the above areas (please indicate which), then we invite you to complete and return this form for our consideration.
